

Industrial Visit of Shri M. H. Kadakia Institute of Management and Computer Studies (MBA) @ Udaipur, Rajasthan

Shri M. H. Kadakia Institute of Management and Computer Studies (MBA), Ankleshwar organized 4 days Industrial Visit to western part of Rajasthan. This Industrial Tour was organized as a part of MBA co-curriculum activities. During the tour they visited **Peacock Industries, Udaipur**. The total number of students who was on the visit was 26 and 2 Faculties were there with them. The Faculty members were Mr. Rahul Soni and CS Ankit Shah and completed productively.

On the visit to Peacock Industries the students got to know the Process of making plastic products like plastic chairs, plastic furniture, plastic trolley etc which is known as a brand name of “**Italica**” and also gain the knowledge about the Management of the Factory in all the aspects like the Financial, Human Resource and Marketing of the Products.

After visiting these two Places the group went for site seeing at Udaipur and Abu-Ambaji where they have visited different visitor points that are known for their natural beauty and attractions.
